Mission

Union County Education Foundation is a charitable organization dedicated to mobilizing community and business support for the students and staff of Union County Public Schools (UCPS). We believe children need energetic and excited educators, so we provide encouragement for teachers who want to go above and beyond to help students feel seen, heard, and valued. We believe in teacher ideas, teacher initiatives, and teacher innovation in order to create student inspiration. We believe when we empower educators to think and dream bigger, students can think and dream bigger.

Goals

- Your \$20,000 sponsorship = 2,000 children can launch a school-based enterprise
- Your \$10,000 sponsorship = 1,000 children receiving an outdoor classroom
