OPEN QUESTION

If yes, what are you buying and on average how much do you spend?

\$100-150.00 for the year. Copy paper, scented stickers (kids love them), colorful permanent chart markers, colorful pens for grading, loose leaf paper, composition notebooks. This is not counting gifts for student birthdays, prize box items etc.

I am a school social worker who often purchases needs for our students such as socks, underwear, tissues, stress balls, fidgets.

OPEN QUESTION

What else would you like us to know about your school supply needs for your classroom?

Please consider supporting student support staff for specific needs within their office space.

Stock science labs

It would be helpful to know what our school will provide on a regular basis. Some departments order supplies needed from department funds. If that can be the practice in all departments, that would be helpful to know.
